

SPRING/SUMMER 2022

SUBJECT: History

Year: 10

Topic(s) to be covered

After we have completed our study of Medicine Through Time by the end of the Spring, we will begin to examine the reigns of King Richard I and King John. We will look at what life was like in medieval England as well as the reasons why King Richard went on Crusade. Once completed we will examine the impact of King Johns actions and consider whether he is deserving of his negative reputation.

Assessment Procedures

1. End of Medicine Unit full GCSE Exam Paper
2. Regular 'mini assessments' where we will set shorter essay questions for Richard and John

End of year test to focus on all topics studied: Medicine through time and Richard and John.

Homework guidance

Each week students will receive at least one homework for which they will be expected to spend a minimum of 30 minutes completing. These will be a combination of written, research, Teams, investigative homeworks.

Failure to complete homework will result in a 30 minute after school detention in which they will be expected to complete the homework.

Enrichment opportunities:

How can you help?

Please support your child in their use of the Teams site.

You can help them by ensuring their homework is completed on time. Supporting them with their written work and encouraging them to research and then reduce and summarise information rather than copying from the internet.

Please encourage them to read out their work to you and explain it in their own words to ensure that they understand it. Get them to check through their work and correct errors with spellings and presentation.
