

AUTUMN 2023

SUBJECT: Performing Arts

Year: 9

Topic(s) to be covered

- 🎭 Drama in Year 9 aims to provide students with the opportunity to develop prior knowledge of basic skills and techniques used in performance.
- 🎭 Students will recap their understanding of performance skills and explore the Performing Arts Industry and the jobs it can provide. Students will look at various sectors within the Performing Arts such as lighting and costume.
- 🎭 Students will also be introduced to Theatre styles and Practitioners, looking into the work of theatre practitioners Stanislavski and Brecht. This content is linked to BTEC and will be beneficial to those who opt for BTEC Performing Arts.
- 🎭 They will analyse the use of physical skills and techniques. Students will complete formative assessments through continuous teacher observation of group rehearsals, individual participation and practical work.

Assessment Procedures

All students will be baseline tested in the subject within their first few lessons: this will be a formal practical assessment where teachers will track students' abilities to develop, perform and evaluate practical drama work in order to gain an insight into existing skills/abilities of students.

At the end of the term there will be a formal assessment in developing, performing and evaluating. This level will appear on formal assessment data. Students are assessed for developing and performing through practical work and verbal/noted responses for evaluation.

Homework guidance

Students will receive 1 homework per double lesson on each rotation. These will be a combination of retrieval, knowledge, and research tasks. Failure to complete a homework task will result in a 30-minute detention.

Enrichment opportunities:

The Department is hoping to organise theatre trips throughout the school year.

On Wednesdays, an after-school Drama Club is open to all students where they will work towards productions whilst developing their skills

How can you help?

To support your child to gain the most from their Performing Arts Studies please ensure they are completing homework. We know that young people who attend a range of performances; amateur and professional (theatre, dance, music) can enhance their understanding. You can access musicals or plays on streaming sites such as Disney Plus, Netflix and YouTube. When watching TV or films as a family, you could ask your child what performance skills they recognise. Use Bitesize as a reference

<https://www.bbc.co.uk/bitesize/topics/zqwj6sg>

Discussing/reflecting on either the process (working with others, having a viewpoint, encouraging participation, treating challenging subjects sensitively) can all assist with a child's confidence and progression in the subject.
