### **Homework guidance**

Students will receive a regular weekly homework task. These will be a combination of retrieval, knowledge, written, practical and theory tasks. Failure to complete a homework task will result in a 25-minute detention.

### **Enrichment opportunities:**

It is a vital part of the music GCSE course to have instrumental lessons to support your child's musical development. We currently have a wide range of visiting music teachers from the Solihull Music Service. In order to support your child with additional tuition for their Music GCSE we ask parents for a contribution of £52.00 per term towards tuition costs. This represents one third of the total cost, with the school meeting the balance. Please see Miss Stewart for more details.

### **How can you help?**

Please support your child with their musical education by ensuring that their homework is completed on time and by encouraging them to attend extra-curricular clubs within school and outside school through the Solihull Music Centre.

Please encourage your child to practise his/her instrument regularly at home.
