

	Lode Heath School
	BTEC Level 1/2 Tech Award in Health and Social Care
Year 11 – 2023/2024 (Autumn Term)	

What is a BTEC qualification?

BTEC qualifications are suitable for a wide range of students. They encourage and recognise achievement in students, some of whom may not be getting the most out of 'traditional' academic study. Those who enjoy hands-on, practical work with plenty of real-life situations tend to find stimulation and success through BTEC qualifications.

Qualification Details

At the end of this course, if successfully completed, you will be awarded a BTEC Level 1 or 2 Tech Award in Health and Social Care. This is equivalent to 1 GCSE. The grade it is equivalent to depends on the overall BTEC grade you are awarded:

- Level 1 Pass** - equivalent to GCSE Grade 3
- Level 2 Pass** - equivalent to GCSE Grade 4
- Level 2 Merit** - equivalent to GCSE Grade 5.5
- Level 2 Distinction** - equivalent to GCSE Grade 7
- Level 2 Distinction*** - equivalent to GCSE Grade 8.5

Programme Overview

Internal assignment based units;

- You will complete a number of assignments for each unit (see below).
- In order to achieve each unit, your assignments have to show achievement against a set of criteria which will be explained fully to you before you begin.
- The assignments that you do form the basis of unit results and an overall result.

External assessment based unit;

- For one unit of the course you will take a 2 hour exam worth 60 marks in year 11.
- You will be awarded a grade for this unit based only on your performance in the exam.

Component 2 – Health and Social Care Services and Values (Internally assessed)

Learning Aim A – Show your knowledge and understanding of barriers an individual could face when accessing services in health or social care. **(Autumn Term)**

Learning Aim B - Show your knowledge and understanding of how health care professionals demonstrate the skills, attributes and values when delivering care to an individual. **(Autumn Term)**

Learning Aim B - Show your knowledge and understanding of how the skills, attributes and values of care professionals can help an individual to overcome potential obstacles. **(Autumn Term)**
