**Post Title: Subject Leader: Drama & Performing Arts**

**Required for: Easter 2024 or sooner**

**Location: Lode Heath School**

**Salary: MPS 1-6 / UPS 1-3 & TLR (negotiable depending on experience)**

**Permanent & Full Time**

Here at Lode Heath School, our aim, quite simply, is to work together to achieve the best for everyone in our school family.

We're on a mission to deliver exceptional teaching and learning for all of our students. Now's your opportunity to help us achieve our ambitious goals as you lead on the delivery of Drama and help us grow our offer and expand our team. Currently, we deliver drama to all students at Key Stage 3 and we also deliver BTEC Performing Arts at Key Stage 4 but we are keen to explore new qualifications as we develop our curriculum to best suit the needs of our students.

The successful candidate will be a talented teacher driven by high expectations and uncompromising ambition for our students. In short, you want to make a positive difference to your students' lives. You will promote high standards of behaviour for, and attitudes to, learning and will support students in their academic and personal needs. You will take a rigorous approach towards the commitment to protect and nurture students at Lode Heath School.

Your passion for teaching and love of drama is more important than your experience as we are able to provide lots of professional development and support from other subject specialist from our Trust and beyond.

You will also be supported by our Creative Arts & Industries Faculty, where drama sits, alongside Art, Music & Design Technologies. This ambitious, forward-thinking and talented team is driven by fresh thinking and innovative ideas and they work collaboratively together to provide our students with an exceptional learning experience.

If you'd like to be part of our exciting future, you will need to share our belief in educating the whole person - and in helping every student, irrespective of their background or abilities, to build the skills, confidence and independence they need to thrive in higher education and the workplace.

There's an exceptional environment waiting for you outside of work too. One of the most prosperous towns in the Midlands, Solihull offers plenty of superb amenities from its thriving shopping centre through to lively bars and first-class restaurants. Close to Birmingham Airport, the NEC and Resorts World, it also has excellent transport links to Birmingham city centre and beyond.

Lode Heath School is a member of the Arden Multi-Academy Trust where we are committed in working together to help and enrich the experiences of all within the AMAT family; we have a clear vision to generate self-belief, self-worth, esteem and confidence in our young people who can then display the ambition and aspiration in achieving high educational outcomes.

An informal visit to the school is a great way to discover Lode Heath for yourself. Just contact Mrs Birchill at the email address below to arrange a date.
