Here at Lode Heath School, we're on a mission to further develop all aspects of teaching, learning and assessment. Now's your opportunity to help us achieve our ambitious goals as you lead on the delivery of Food & Nutrition to deliver an exceptional learning experience.

Following continued success over the last few years, the community trusts us to deliver an excellent education. In turn, we are working to develop Lode Heath as a learning hub for everyone in that community where the sharing of best practice is both encouraged and commonplace. As you support your students and team to thrive, we will support you to progress your career with us. The ongoing training and development of our staff is a key priority, which is why you'll enjoy access to a wide range of CPD opportunities including NPQs and our own Trust-wide leadership development programme.

Within this refreshingly collaborative and team-focused culture, colleagues work together towards shared goals. Our aim, quite simply, is to make sure that student achievement is at the very heart of everything we do. Food & Nutrition is a highly valued and popular subject which our students enjoy within the curriculum but also through additional activities such as clubs and trips. As such, we are seeking a talented leader driven by high expectations and uncompromising ambition for our students to build on this.

As Subject Leader of Food & Nutrition, you will be an excellent classroom practitioner who is equipped to ensure high attainment and positive learning experiences for our students across key stages 3 and 4 in what is an already popular and oversubscribed subject at GCSE.

If you'd like to be part of our exciting future, you will need to share our belief in educating the whole person - and in helping every student, irrespective of their background or abilities, to build the skills, confidence and independence they need to thrive in higher education or the workplace.

There's an exceptional environment waiting for you outside of work too. One of the most prosperous towns in the Midlands, Solihull offers plenty of superb amenities and also has excellent transport links to Birmingham city centre and beyond.

An informal visit to the school is a great way to discover Lode Heath for yourself. Just contact Mrs Birchill at the email address below to arrange a date.
