Looking for your next career step? How about joining an ambitious and forward-thinking school community that's on a mission to further develop all aspects of teaching and learning?

You can look forward to being part of a genuinely friendly and supportive working environment. Everyone here works together towards shared goals – and to make sure that our students' wellbeing and achievement are at the very heart of everything we do.

There are plenty of opportunities for training and development too. So, if you'd like to build your skills and progress with us, we'll help you to achieve your goals. With continuing success over the last few years, the community trusts us to deliver an outstanding education. In turn, we're working to develop Lode Heath as a learning hub for everyone in that community.

Like all staff members, you will promote high standards of behaviour for, and attitudes to, learning and will support students in their academic and personal needs. You will take a rigorous approach towards the commitment to protect and nurture students at Lode Heath School in keeping with agreed child protection, safeguarding, attendance and student support policies.

Lode Heath School is a member of the Arden Multi-Academy Trust where we are committed in working together to help and enrich the experiences of all within the AMAT family; we have a clear vision to generate self-belief, self-worth, esteem and confidence in our young people who can then display the ambition and aspiration in achieving high educational outcomes.

We are looking for a committed and experienced Teaching Assistant to join our Special Educational Needs team to support our SEN students and assist the leadership at Lode Heath School. Visits to the school are welcomed; please contact the office email below to arrange a date.

To find out more or to apply email office@lodeheath.org.uk using the provided application form.

Closing date: 9am, Friday 3 May 2024

Arden Multi Academy Trust is committed to safeguarding and promoting the welfare of children and young people and expects all its staff and volunteers to share this commitment. We welcome applications regardless of age, gender, ethnicity, sexuality or religion. The successful applicant will be required to undertake an Enhanced DBS Disclosure and, in line with Keeping Children Safe in Education, will be subject to a social media online search.
