Each week students will receive one homework for which they will be expected to spend a minimum of 30 minutes completing. These will be a combination of written, creative, and research homeworks.

Failure to complete homework will result in a 30 minute after school detention.

**How can you help?**

Discuss current affairs and how they fit into topics covered in lessons.

Please support your child in encouraging them to do their homework.

Please help your child with revision for ongoing and end of topic tests so that they revise in small 'chunks' rather than last minute.

Please ensure your child has the correct equipment for lessons, meets homework deadlines, and be supportive with departmental procedures and detentions.
