

LODE HEATH SCHOOL
Arden Multi Academy Trust

Post Title: Faculty Leader: PE & BTEC Quality Nominee
Required for: September 2022
Location: Lode Heath School
Salary: MPS 1-6 / UPS 1-3 & TLR negotiable
Employment Term: Permanent & Full Time

Here at Lode Heath School, we're on a mission to further develop all aspects of teaching, learning and assessment. Within this refreshingly collaborative and team-focused culture, colleagues work together towards shared goals. Our aim, quite simply, is to make sure that student achievement is at the very heart of everything we do. Now's your opportunity to help us achieve our ambitious goals as you lead our PE Faculty, as a result of promotion to SLT of the current post-holder.

The aim is to work closely together to balance a more traditional curriculum alongside an innovative and dynamic programme which brings subjects to life and develops students' wider skills and so we look forward to welcoming fresh thinking and new ideas to achieve this.

As Head of Faculty, you will be highly motivated to achieve the best and to support our team to deliver an exceptional learning experience for all of our students in the variety of subjects and qualifications they study in your care. The role brings together the Faculty subjects of PE (core & GCSE), BTECs Sport & Health & Social Care and Dance as well as BTECs Travel & Tourism and Performing Arts and so is excellent preparation for senior leadership and whole school curriculum roles.

You will be an outstanding classroom practitioner who is equipped to share your expertise to ensure even higher attainment and more positive learning experiences for our students. You will already have some experience of leadership and your commitment and drive for excellence will be clear.

Following continued success over the last few years, the community trusts us to deliver an excellent education. In turn, we are working to develop Lode Heath as a learning hub for everyone in that community where the sharing of best practice is both encouraged and commonplace. As you support your students and team to thrive, we will support you to progress your career with us. The ongoing training and development of our staff is a key priority, which is why you'll enjoy access to a wide range of CPD opportunities including NPQ programmes and our own Trust-wide bespoke leadership coaching course.

If you'd like to be part of our exciting future, you will need to share our belief in educating the whole person - and in helping every student, irrespective of their background or abilities, to build the skills, confidence and independence they need to thrive in higher education or the workplace.

There's an exceptional environment waiting for you outside of work too. One of the most prosperous towns in the Midlands, Solihull offers plenty of superb amenities and also has excellent transport links to Birmingham city centre and beyond.

Lode Heath School is a member of the Arden Multi-Academy Trust where we are committed in working together to enrich the experiences of all within the AMAT family; we have a clear vision to generate self-belief, self-worth, esteem and confidence in our young people who can then display the ambition and aspiration in achieving high educational outcomes.
