Looking for your next career step? How about joining an ambitious and forward-thinking school family that's on a mission to further develop all aspects of our work to ensure the very best for our students?

Following the retirement of the current post-holder, we are looking for a self-motivated and reliable High Needs Manager to join our Inclusion Team where our committed, talented and child-centred staff work together to support our most vulnerable students to excel in our care.

You can look forward to being part of a genuinely friendly and supportive working environment. Everyone here works together towards shared goals – and to make sure that wellbeing and student achievement are at the very heart of everything we do.

With continuing success over the last few years, the community trusts us to deliver an outstanding education. In turn, we're working to develop Lode Heath as a learning hub for everyone in that community. There are plenty of opportunities for training and development too. So, if you'd like to build your skills and progress with us, we'll help you to achieve your goals.

Lode Heath School is a member of the Arden Multi-Academy Trust where we are committed in working together to help and enrich the experiences of all within the AMAT family; we have a clear vision to generate self-belief, self-worth, esteem and confidence in our young people who can then display the ambition and aspiration in achieving high educational outcomes.
