Future Learning (including real – life)

Revisit: mini assessments, mocks, final GCSE exams, media savvy individuals able to critique the media and the way it influences our lives.

Homework

Homework will be set once a fortnight by each teacher. This will be retrieval work; activities linked to set texts for Paper 1 and exam style questions. Students will be expected to spend 60 minutes completing the work. Details of individual homework can be found on synergy and students will also have printed copies/electronic copies of resources. Failure to complete homework will result in a 25-minute detention after school.

You can support your child by encouraging them to review their media theory regularly at home as well as complete homework thoroughly. Students can find useful support on BBC Bitesize and by completing e-revision and Seneca tasks to review and recall topics covered in lessons.
